DCTCA MISSION STATEMENT

The mission of the Detroit Ceramic Tile Contractors Association is to advance the ceramic tile industry by providing:

- **Promotion** of the beauty and benefits of the professionally installed ceramic and thin stone tile.
- **Education** to ensure that skilled craft and management personnel are available to respond to the demands for professionally installed ceramic tile work from the construction industry and the general public.
- **Encouragement** to all those willing to dedicate themselves to the ceramic tile craft.
- **Support** of the highest standards of workmanship.
- **Demonstration** of high professional ethics through our words and actions.
